

Kaiping Aoji Electronic Technology Co., Ltd.

Contactless 360 Car Wash Machine · Factory Direct Supply

4-Blower Version

Aoji (OKO) was established in 2019 and focuses on the R&D, production, and sales of intelligent car wash equipment. We are committed to providing customers with stable, efficient, and easy-to-deploy automatic car wash solutions. Our main products include contactless 360 car wash machines, fully automatic car wash equipment, and supporting systems, with support for multi-scenario applications and customized services.

Contactless Cleaning

Avoids scratching the paint

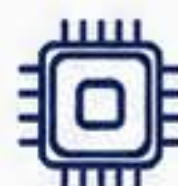

Foam Spraying

Deep cleaning and dirt removal

High-Pressure Rinsing

Powerfully rinses away mud and sand

Intelligent Control

Automatic sensing operation

Factory Direct Supply

Own factory
Production & sales
Quality assurance
Better prices

Customization Supported

Flexible customization of equipment specifications
Meets different site requirements

Installation Guidance

Equipment installation drawings and videos
Engineers provide remote/on-site support

After-Sales Service

Professional after-sales team
7×24 timely response

 Brand:	Aoji
 Model:	Model 02
 Water Consumption:	90-200 L
 High-Pressure Pump:	Xianling, optional imported AR, Taiwan Wuli
 Contactor:	In-house controller or Siemens

 Product Name:	Automatic Car Wash Machine
 Washing Pressure:	50-150 bar
 Installation Size:	6.3 × 3.2 × 3.2 m
 Drying System:	Built-in 4 blowers
 Controller:	OKO

Six Core Advantages

Intelligent Control · High-Pressure Cleaning · Safe & Stable

01 Contactless Cleaning

360° all-around rinsing, gentle on paintwork

02 Foam Spraying

Even foam coverage improves dirt removal efficiency

03 High-Pressure Rinsing

Powerful rinsing removes mud and sand for a deeper clean

04 Vehicle Profile Detection

Automatically detects vehicle contours for precise operation

05 Intelligent Control

PLC + touchscreen, intuitive and convenient operation

06 Safety Protection

Anti-collision protection for safer operation

Real Car Wash Site

Contactless High-Pressure Rinsing

Live Equipment Operation

01 Automatically Detects Vehicles

Precisely scans and identifies vehicle type

02 Intelligently Sets the Program

Automatically matches and optimizes parameters

03 Efficiently Completes Washing

Fully automatic throughout, clean like new

Suitable for:

Car Wash Shops / Auto Detailing Centers / Gas Stations / Parking Lots
