

KAIPING AOQI ELECTRONIC TECHNOLOGY CO., LTD.

CONTACTLESS 360 CAR WASH MACHINE · FACTORY DIRECT SUPPLY

SIX-FAN VERSION

OKO (Aoqi) was founded in 2019 and focuses on the R&D, production, and sales of intelligent car wash equipment. We are committed to providing customers with stable, efficient, and easy-to-deploy automatic car wash solutions. Our main products include contactless 360 car wash machines, fully automatic car wash equipment, and supporting systems, with support for multi-scenario applications and customization services.
